

First of all thank you for getting in touch with me!

Please take some time to read through my FAQs just to make sure that you know **what to expect** when you purchase a reading from me !!!

Please note:

Every reader works differently and after having done more than hundreds of personal readings I simply have learned that I do need precise questions in order to deliver the best results.

Please be so kind and don't ask YES/NO questions. The same question phrased in a more open way will bring you better results. I know this is not easy but please obey to this rule!

Currently I am offering 2 different types of readings:

*** ** Regular reading**

25,-€ (EUROS!) Send me your question via Email and you'll receive your recorded video message within 7-10 days. It's a confidential link visible only for you and me! The video will be approx. 10-15 minutes long.

***** WhatsApp Express Reading**

10,-€ Send me your question via WhatsApp & receive your answer within 1 or 2 days as a voicemail + picture of the cards. My number is +49 1578 45 36 260

My email is: diop76@gmx.de

My PayPal address is: diop76@gmx.de

I am looking forward to give you some guidance and wish you all the best!
